| | |
|---|-----|
| Abstract..... | i |
| Table of Contents..... | iii |
| Index of Figures | ix |
| Index of Tables | x |
| List of Abbreviations..... | xi |
| I. Introduction | 1 |
| 1. Research Problem and Relevance | 1 |
| 2. Research Objectives and Scope..... | 2 |
| 3. Structure of the Document..... | 4 |
| II. Bottom of the Pyramid Concept: Taking Stock | 6 |
| 1. Background..... | 6 |
| 2. Characteristics of the BOP Market..... | 7 |
| 3. Business Strategies at the BOP | 11 |
| 3.1. Challenges in doing business at the BOP | 12 |
| 3.2. 4As Framework | 15 |
| 3.3. Implications for the firm | 20 |
| 4. Criticism of the BOP Approach | 21 |
| 4.1. Overestimation of market size | 21 |
| 4.2. Not benefiting, even harming the poor | 22 |
| 4.3. Undermining the State's role in development and other alternatives to capitalism..... | 23 |
| 4.4. MNCs not best fit to address the BOP..... | 24 |
| 5. Current State of BOP Scholarship | 25 |
| 5.1. Evolution of the BOP approach | 25 |

| | | |
|------|--|----|
| 5.2. | BOP approach and other tangential areas..... | 25 |
| 6. | Why it is Interesting and Imperative to Conduct BOP Research | 27 |
| III. | Disruptive Innovations Theory | 29 |
| 1. | Introduction | 29 |
| 2. | Disruptive Innovation Theory..... | 29 |
| 2.1. | Definition..... | 29 |
| 2.2. | Extensions of the disruptive innovation theory..... | 32 |
| 2.3. | Disruptive innovation in the context of technological discontinuities | |
| 36 | | |
| 2.4. | Critique of disruptive innovation theory..... | 37 |
| 3. | Challenges in Commercializing Disruptive Innovations..... | 38 |
| 3.1. | Resource allocation processes:..... | 40 |
| 3.2. | Inadequate market-facing organizational competency: | 40 |
| 4. | Recommendation to Established Firms Seeking to Commercialize Disruptive Innovations | 41 |
| 5. | Summary..... | 42 |
| IV. | Methodology and Research Process..... | 43 |
| 1. | Introduction | 43 |
| 2. | Methodology..... | 43 |
| 2.1. | Context | 43 |
| 2.2. | Rationale for case study research | 44 |
| 3. | Research Process..... | 45 |
| 3.1. | Case study selection | 47 |
| 3.2. | Data collection | 48 |
| 3.3. | Data analysis | 49 |
| 4. | Quality and Reliability..... | 50 |
| V. | Study 1: BOP as a Source for Disruptive Innovations | 51 |
| 1. | Introduction and Research Question..... | 51 |

| | | |
|------|---|-----|
| 1.1. | Introduction | 51 |
| 1.2. | Research question and methodology | 52 |
| 2. | Embedding the BOP Phenomenon in Theory | 53 |
| 2.1. | Linking disruptive innovation theory and BOP markets | 53 |
| 2.2. | Interrelationship between frugal innovations, inclusive innovations, reverse innovations, Gandhian innovations and disruptive innovations.. | 55 |
| 3. | Empirical Context..... | 61 |
| 3.1. | Healthcare challenges in India | 62 |
| 3.2. | Case studies: Aravind Eye Care System and Narayana Hrudayalaya hospitals | 63 |
| 4. | Analysis | 71 |
| 4.1. | How are low-cost specialty hospital chains potentially disruptive?71 | |
| 4.2. | What are the drivers of their innovations? | 77 |
| 4.3. | Short excursus: Reflections on the Lead User characteristics of AECS and NH | 81 |
| 4.4. | Why is BOP an appropriate context for disruptive innovations? . 84 | |
| 5. | Managerial implications and discussion..... | 87 |
| VI. | Study 2: Lessons from GE Healthcare: How Incumbents can Systematically Create Disruptive Innovations..... | 89 |
| 1. | Introduction | 89 |
| 2. | Theoretical Context..... | 91 |
| 3. | Research Question and Methodology..... | 93 |
| 3.1. | Research question | 93 |
| 3.2. | Methodology..... | 94 |
| 4. | Empirical Context..... | 96 |
| 4.1. | GE Healthcare case study..... | 96 |
| 4.2. | Characteristics of the value segment products..... | 104 |
| 5. | Analysis | 108 |

| | | |
|-------|--|-----|
| 5.1. | Disruptive potential of GE Healthcare's value segment products | 108 |
| 5.2. | Overcoming the innovator's dilemma | 112 |
| 5.3. | Ambidexterity in action at GE Healthcare | 120 |
| 5.4. | Other measures in combating the unfavorable characteristics of disruptive innovations..... | 123 |
| 6. | Discussion..... | 126 |
| VII. | Study 3: Lessons from Tata: How Leadership can Drive Disruptive Innovations | 129 |
| 1. | Introduction | 129 |
| 2. | Theoretical Foundations | 131 |
| 2.1. | Leadership and innovation..... | 131 |
| 2.2. | Leadership and ambidexterity..... | 135 |
| 3. | Research Question and Methodology | 136 |
| 3.1. | Research question..... | 136 |
| 3.2. | Methodology | 137 |
| 4. | Empirical Context..... | 138 |
| 4.1. | About Tata Group and Tata Chemicals | 138 |
| 4.2. | Tata Swach project..... | 139 |
| 5. | Analysis..... | 149 |
| 5.1. | Disruptive potential of Tata Swach | 149 |
| 5.2. | Role of senior leadership | 152 |
| 5.3. | Differentiating and integrating: A process view of ambidexterity at Tata | 157 |
| 6. | Discussion..... | 163 |
| VIII. | Addendum: Linking Paradox Resolution and Disruptive Innovations for the BOP | 165 |
| 1. | Introduction | 165 |
| 2. | Theoretical Foundations- Theory of Paradox | 166 |

| | | |
|------|---|-----|
| 2.1. | What is a paradox? | 166 |
| 2.2. | Pursuing social and financial goals - a performance paradox .. | 168 |
| 3. | Empirical Context..... | 169 |
| 4. | Analysis | 172 |
| 5. | Discussion | 174 |
| IX. | Discussion of Findings and Conclusion..... | 177 |
| 1. | Integration of Findings | 177 |
| 1.1. | Overview | 177 |
| 1.2. | Organizational conditions at established firms for pursuing disruptive innovations..... | 178 |
| 2. | Theoretical Contributions | 184 |
| 2.1. | BOP as a context for disruptive innovations..... | 185 |
| 2.2. | Organizational ambidexterity and disruptive innovation theory | 185 |
| 2.3. | Leadership and disruptive innovation theory | 187 |
| 2.4. | Paradox theory | 189 |
| 3. | Implications..... | 190 |
| 3.1. | Managing disruptive innovations within established firms | 190 |
| 3.2. | Policy implications for healthcare sector | 192 |
| 4. | Limitations of the Research | 194 |
| 5. | Future Research Agenda..... | 195 |
| 6. | Conclusion | 196 |
| X. | Bibliography | 198 |
| XI. | Appendix | 221 |
| A. | Indian BOP innovations from studies by C.K. Prahalad | 221 |
| B. | Profiles of selected BOP innovations from India in the Healthcare Sector | 223 |
| C. | Interview list Study I | 227 |
| D. | Interview list Study II | 228 |

| | | |
|------|---|-----|
| E. | Interview list Study III and Addendum | 229 |
| F. | Interview Guidelines..... | 230 |
| XII. | Curriculum Vitae | 236 |
